About Kyle

Seattle designer Kyle Kunnecke has a not-so-secret passion for colorwork. Through his fiber workshops, he provides inspiration to his students, exploring the skills necessary to continue their personal knitting journeys. Kyle's patterns have been published in books and magazines, by yarn companies, and under his own label, Kyle William. He leads workshops at national and international events, both virtually and in person. Kyle's book, *Urban Knit Collection: 18 City-Inspired Knitting Patterns for the Modern Wardrobe* (Interweave, 2016), showcases projects that utilize the techniques he loves to share with his students. Fearless Steeking

Class Description

Cutting our knitting may seem like the stuff of nightmares, but in a controlled environment following a few simple steps, steeking is a tool that makes stranded knitting in the round an absolute dream.

In this two-session online workshop, we will face our fears by learning to master the skills required to cut our knitting while creating a cute zippered bag (see photo on top right of cover page). You will learn how to prepare, secure, and cut steeks in knitted fabric, as well as how to install a zipper and lining. This event will be presented live and will *not* be recorded for future viewing.

Required Skills: Participants should be able to cast on and join for knitting in the round; knit a simple stranded pattern in the round, using two contrasting colors; and bind off.

Class Materials

- To complete the homework for this class (see below), you will need approximately 50 yards of worsted-weight 100% *non*-superwash wool, in two contrasting colors; US # 8 DPNs or 40" circular needle (for magic loop technique), or needle size to obtain the correct gauge (28 stitches and 21 rounds = 4 inches in pattern, blocked); stitch marker
- Tapestry needle
- 8 – 10" zipper
- Sewing needle and strong matching thread
- Straight or T-pins
- Sharp scissors
- Measuring tape
- Fabric for lining of zippered bag
- Note-taking materials

Homework

Upon registration, you will be sent directions for knitting the Diamond Bag by Kyle Kunnecke (see photo on top right of cover page). You are asked to bring your completed knitting to class, bound off. Additionally, you will receive a second handout a few days before the workshop.

Class Size: Limited to 25 participants
